ENRICHMENT: (Only for oral discussions with family members, BUT IN ENGLISH!! Good test for your parents and siblings11)

Have you ever been to our local dump site?

How does it look there?

What is good about having a local dump site?

What is bad about having a local dump site?

What can one do with some of the waste/rubbish of a household?

Let your thoughts run and give a few ideas of re-using/fixing/distributing items before merely dumping it.
