

GRADE 5 ENG FAL PLAN OF ACTION 4 (11- 15 MAY).

NOTE:

- I trust that most of you have collected your books from school.
- This week’s work must be done neatly in your English Workbooks. Follow the same instructions as in class: Heading, Page/other reference, date AND SUBHEADINGS.
- Please SKIP ONE PAGE BEFORE STARTING. Leave this page blank so that we can paste in the Action Plan to serve as INDEX for the work following.
- You need not print this out, I will make copies and hand it out as soon as (if not earlier) school reopens.
- The Plan of Action is a weekly planning per day, per period. You can work ahead, but the memorandum will be posted the day after the work had to be completed.
- DO NOT FALL BEHIND, as all the work planned is important work of TERM 2.
- Mark your work neatly in green pen and do the corrections.
- Any questions/uncertainties can be sent via WhatsApp between 14h00 to 13h00 to me: Lisinda Pretorius (0726510320)
- Remember: SUCCESS ONLY COMES THROUGH HARD WORK!
